Marjan Sherafati: SPE Western Regional Student Paper Contest Winner

Chevron fellowship recipient, Marjan Sherafati, won first place at the SPE (Society of Petroleum Engineers) Western Regional Meeting student paper contest held at Stanford University, on April 5th 2014. Six students competed in the masters division, hailing from USC, Stanford, and University of Alaska at Fairbanks. Selected students were chosen to present and defend their novel research to a panel of expert judges. Ms. Sherafati presented on “The Role of Counter-Current Flow in Simultaneous Water and Gas Injection Processes”. She will go on to compete in the international competition in October in Amsterdam.
